Greetings All,

I have attached the monthly log that must be submitted to GaDOE via portal email for therapeutic services provided by your social workers. Social workers should submit this information to you to upload in the portal on the 1st day of the month (i.e. October logs are due November 1st). LCSWs/LMSWs should provide the student name, type of intervention that was provided to students and the date of the intervention. Please submit this information for the months of August and September by Monday, October 7th. Please email me directly if you have any questions.

Thanks,
